We offer a wide range of programs, from undergraduate to doctoral degrees, in various fields of study. Currently, we have over 23,500 students enrolled in 41 undergraduate programs, 6 master programs, 1 doctoral program and 1 joint bachelor program in business administration with Malaysia University of Science and Technology.

## Guests of Honor

Our opening ceremony was graced by the presence of Mr. Duong Tan Hien, Member of the Standing Committee of the City Party and Vice Chairman of the Standing Committee of Can Tho City People's Committee, as well as representatives from different departments, branches, mass organizations, local leaders and partners from the Mekong Delta region. We are grateful for their support and collaboration in our endeavors.

## Scholarship recipients and valedictorians

One of the most memorable moments of the ceremony was the awarding of scholarships to 177 students from class of 2019, 2020, 2021 and 2022 who had shown remarkable academic and practical performance in the academic year 2022-2023. We are proud of their achievements and hope they will continue to excel in their studies and careers. We also congratulated two new valedictorians, class of 2023: Tran Tuong Vy from the English Language Major and Le Huu Duc from the Business Administration Major. They are exemplary role models for their peers and future generations.

Tran Tuong Vy, shared her feelings and gratitude with us: “I’m so happy and honored to receive this scholarship and I’m also very proud because I made my parents happy. The scholarship is a wonderful encouragement and inspiration for me to be more confident and hard-working in my studies and practice. I will do my best in my courses and join in school activities to live up to the valedictorian title.”

## Our best wishes

*The ceremony was a success and it created a positive and energetic atmosphere for the start of the new academic year.*

*We wish all the students and staff of Nam Can Tho University a fruitful and rewarding year ahead!*
